VET FEE-HELP is an interest-free loan from the Australian Government that helps students pay for their education and training. TAFE Queensland South West receives the full loan amount for your course directly from the Government, and you repay your loan through the Australian taxation system once your income reaches a certain threshold.

You are eligible for VET FEE-HELP if you:

- are an Australian citizen or hold a permanent humanitarian visa,
- are enrolled in a VET-FEE-HELP eligible course on or before the census date,
- have not exceeded the VET FEE-HELP limit, and
- have an Australian Tax File Number (TFN) or Certificate of Application for a TFN.

Other criteria may apply.
Payment plans
If you have difficulty paying the full amount of a course upfront, you may be eligible for a payment plan.
Once you have a deposit of 20% of your course fees or $75 (whichever is greater), you can apply for your interest free student payment plan through the TAFE Queensland South West Customer Service Centre. You will need to complete a Payment Plan Application Form and provide the required documentation (including identification and pay advice/income statements). Cancellation of enrolment does not necessarily cancel the obligation to make all payments under the payment plan. Payment plans are not automatically granted and conditions apply.
